

WHY THEATRE?

FOSTERS CREATIVITY

Theatre is an incredible art form that enriches students' lives in countless ways. It fosters creativity, enhances communication skills, and teaches teamwork.

ENRICHING EDUCATION

Theatre opens the door to history and literature in a unique way. Performing gives students the opportunity to build a character and better connect to the story. It builds empathy and helps them easily see the connection between the past and the present.

SUPPORTIVE ENVIRONMENT

Theatre builds lasting friendships and wonderful memories. It gives students the experience of performing in front of an audience, while teaching them how to think on their feet.
